PRESIDENT'S MESSAGE

The Wildcats do have friends in high places these days. The Prime Minister of Australia has signed a Warnervale Polo Shirt and sent us a personal letter of congratulations for the work we do for the community and especially the kids.

Karen and John McNamara arranged the items and sponsored the framing. Our club's Patron, Mr Ken Ticehurst, Federal Member for Dobell, arranged for the Prime Minister to personally present the framed shirt to the club on his recent visit to our area.

Mark Anderson and Jim Bilton presented Mr Howard with a Wildcats Club Tie to wear at important functions.

NEW SPONSOR FOR 2007

MHS General Recruitment Office has recently moved!!

We are now located at Suite 4, Level 2, 9 Reliance Drive in the Tuggerah Business Park.
Phone and fax numbers have not changed – you can still reach us on 4353 9177 or fax 4353 0895.

MHS is currently looking to recruit staff from all types of industries.

We are looking for staff in a diverse range of professions and skill sets.

Whether it is for Process workers, Laborers, Forklift drivers, Admin Staff, Trades people, Engineers and Accountants.

We have recently tendered for several local government contracts and if successful will need a wide variety of suitably skilled employees.

MHS is looking to provide Warnervale Rugby club players with some employment opportunities as well as forging business relationships with some of their business partners.

If you have a need for either employment or staffing for your business, Permanent Placement or Labour Hire please do not hesitate to call Mark, Desiree or Pam.

SKILLED LABOUR SHORTAGE

Have any of your companies found it impossible to hire suitable local candidates for their specialist staff vacancies?

MHS are Corporate Sponsors which enable us to sponsor overseas candidates on a 457 Visa. We have secured over 400 successful placements of overseas workers for our clients all over Australia in a diverse range of industries.

A 457 Visa permits the candidate to work for 4 years in Australia and apply for residency after 12 months. MHS can co-ordinate documentation, ensuring our candidates have had all relevant checks e.g. health check, criminal history check and reference checks. We can organise an overseas conference call interview for interested parties.

One of our MHS staff will arrange free accommodation for 2 weeks and also will transfer the successful candidate from the airport to their new home.

This facility is available to all our clients. However, if our client wishes to take over the candidate's 457 Visa then MHS is able to advise and assist for a small fee.
